

Fundamentals of Music Practice Exercises
Ascending Whole Steps - Treble Clef

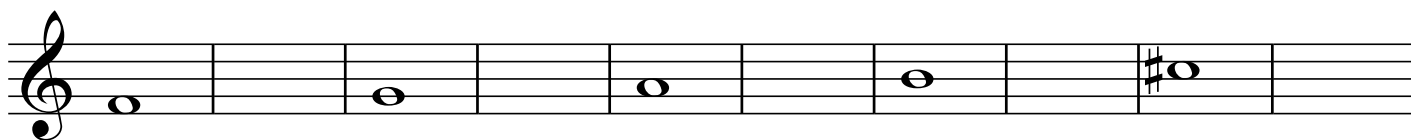

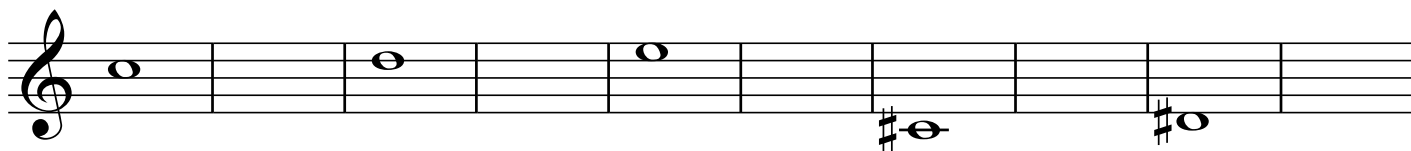

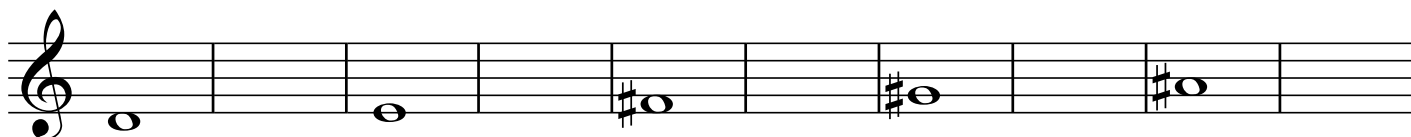

Reminders:

Focus on neatness and use a pencil! Write slowly and carefully.

Use the following page as a guide:

<http://www.fundamentalsofmusic.com/melody-melodic-intervals-half-step-whole-step.html>

Write the pitch in the empty measures that is a whole step above each of the following pitches, only using sharps or no accidental, when appropriate.

Write the pitch in the empty measures that is a whole step above each of the following pitches, only using flats or no accidental, when appropriate.
