Reminders:

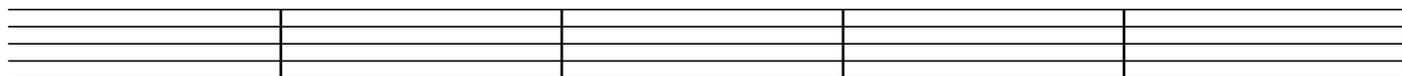

Focus on neatness and use a pencil!

Match each example as closely as possible. Write slowly and carefully.

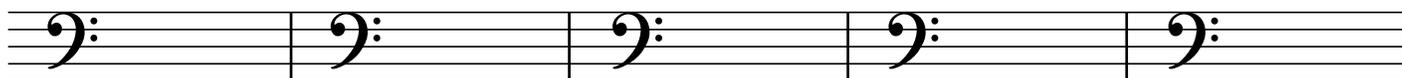

Trace each of the treble clefs below for practice. Begin at the bottom of each clef and follow the line through all of its curves.

Draw a treble clef in each of the blank measures below. Make sure that the clef line crosses the staff lines at the appropriate places, as shown above.

Trace each of the bass clefs below for practice. Begin at the top of each clef and follow the line of the curve closely.

Draw a bass clef in each of the blank measures below. Make sure that the clef line crosses the staff lines at the appropriate places, as shown above.
