

Fundamentals of Music Practice Exercises

# Writing Ledger Lines and Noteheads **Above** the Staff

For instructions, visit <http://www.music-paper.com/how-to-draw-ledger-lines.html>

Reminders:

Focus on neatness and use a pencil!

Match each example as closely as possible. Write slowly and carefully.

Write a closed notehead above one ledger line in each of the blank measures below, exactly as shown in the example.

Write a closed notehead on the ledger line above the staff in each of the blank measures below, exactly as shown in the example.

Write an open notehead above two ledger lines in each of the blank measures below, exactly as shown in the example.

Write an open notehead on the second ledger line above the staff in each of the blank measures below, exactly as shown in the example.
