## Writing Harmonic Minor Scales

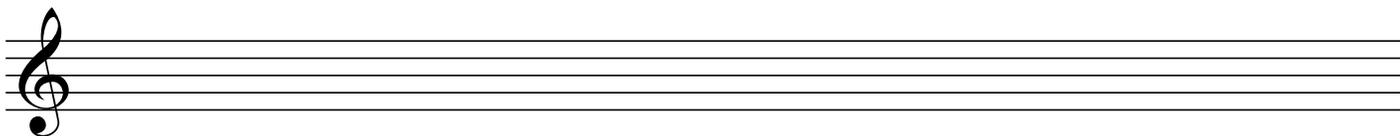

Reminders:

Focus on neatness and use a pencil! Write slowly and carefully.

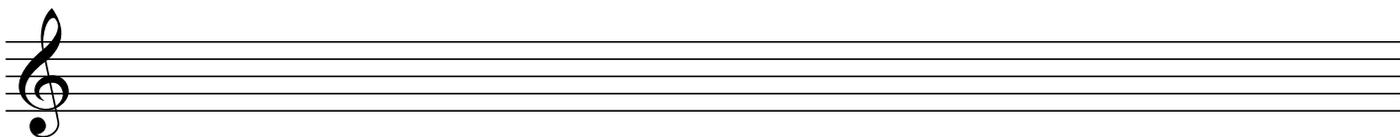

Use the following page as a guide:

<http://www.fundamentalsofmusic.com/harmonic-minor-scales.html>

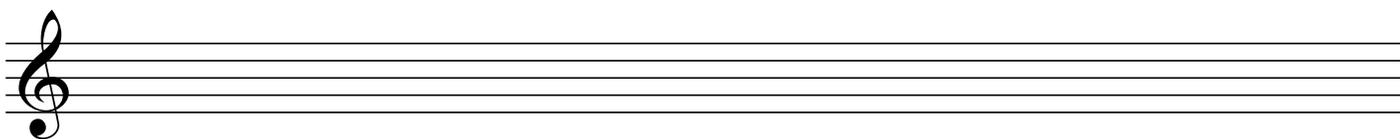

1. Write each scale degree in the spaces under the staff.

2. Write each scale degree and the whole steps and half steps that occur between them.

3. Write each scale degree and the whole steps and half steps that occur between them, and write a G diatonic scale.

4. Write each scale degree, the whole steps and half steps that occur between them, and a G diatonic scale. Then complete the harmonic minor scale by checking each half step and whole step and adding the appropriate accidentals.
